

**Better Call Saul Theme (Extended) - Little Barrie** [www.filmywisdom.com](http://www.filmywisdom.com)

[Verse 1]

If there's any thought  
Better think of me  
For a little support  
At a time of need  
It'll be a, "No, not a chance"

[Verse 2]

Try to head to town  
Can't see or hear  
Kill communication  
Steppin' off the grid  
Just to let me know  
To maybe cut my ties

[Chorus]

Been here before  
Love this winter breeze  
Summer's bird  
Shot down on its knees  
Take what you learned and what you need

[Verse 3]

If there's any more  
Better think of me  
Couldn't feel no different  
After a horrible week  
It'll be a, "No, not a chance"  
It'll be a, "No"  
So maybe go buy time

[Chorus]

Been here before  
Love this winter breeze  
Summer's bird  
Shot down on its knees  
Take what you learned and what you need

[Chorus]

Been here before  
Love this winter breeze  
Summer's bird  
Shot down on its knees  
Bachelor's war no one's gonna need  
Just take what you learned and what you need

[Outro]

Take what you learned and what you need  
And what you need  
What you need  
What you need  
What you need
